

# Aptiris

## Partner Benefits Program

**Aptiris** – the leading FirstClass® partner for training, systems integration and customer service – invites you to participate in our Partner Benefits Program. The Aptiris Partner Benefits Program allows your organization to maximize the ROI on your FirstClass investment by offering additional support, access to the exclusive Aptiris Portal and discounts on Aptiris service and software products.

Having achieved the highest level of certification, Aptiris is a Platinum FirstClass Channel Partner and accredited Training and Implementation Partner, Application Partner, and Hosting Partner.

### Aptiris Partner (Complimentary)

As an Aptiris Partner, you will receive these exclusive benefits:

- Complimentary phone and email assistance to registered FirstClass Administrators
- Reminders of your FirstClass maintenance & support renewals
- FirstClass license and maintenance & support order processing
- Access to the Aptiris customer portal (coming in early 2010)
- 5% discount on all Aptiris training and services
- 5% discount on all Aptiris software products

**Qualifications:** Aptiris Partner status is renewed annually, based on any one of the following qualifying events:

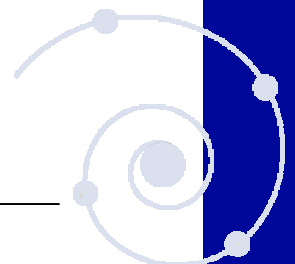

- Purchase of FirstClass licenses or maintenance & support renewal via Aptiris, with submission of Aptiris Partner form (on reverse)
- Purchase or renewal of any Aptiris application
- Purchase of any training course from Aptiris

### Aptiris Premier Partner

As an Aptiris Premier Partner, you receive all the benefits of an Aptiris Partner plus these exclusive benefits:

- One day on-site consultation
- Complimentary remote upgrades of FirstClass server software components
- An additional 5% (10% total discount) on all Aptiris training and services
- An additional 5% (10% total discount) on all Aptiris software product

**Enrollment:** Aptiris Premier Partner status is available based on the same qualifying events as Aptiris Partner status, plus an annual subscription of \$2500. Premier Partner subscriptions may be aligned with annual Maintenance & Support dates, or can be maintained independently.
